

MILTON Skating Club

To help with planning for the upcoming season we have listed below the schedule that will be in place for the upcoming season. Please take special note that often there is more than 1 rink running Milton Skating Club programs at the same time. Some days your coach might be teaching in the other rink so please make sure to consult with him/her prior to registering. We are hoping to have registration packages ready for pick-up by August 1st.
